

Not Strong Enough

Apocalyptica

I'm not strong enough to stay away.

Can't _____ from you

I just run back to you.

Like a moth I'm drawn in to your flame,

Say my name, but it's not the same.

You _____ in my eyes, I'm stripped of my pride.

And my soul _____, and you bring my heart to it's knees.

And it's killing me when you're away, I wanna _____ and I wanna _____.

And I'm so confused, So hard _____.

Between the pleasure and the pain.

And I _____ it's wrong, and I know it's right.

Even if I try _____ the fight, my heart _____ overrule my mind.

And I'm not strong enough to stay away

I'm not strong enough to stay away

What can I _____?

I would _____ without you

In your presence my heart _____ no shame

I'm not to blame

Cause you _____ my heart to it's knees

And it's killing me when you're away, I wanna _____ and I wanna _____.

And I'm so confused, So hard _____.

Between the pleasure and the pain.

And I know it's wrong, and I know it's right.

Even if I _____ to win the fight, my heart would overrule my mind.

And I'm not strong enough to stay away

There's nothing I _____ do

My heart is chained to you

And I can't _____ free

Look what this love's done to me

And it's killing me when you're away, I wanna _____ and I wanna _____.

And I'm so confused, So hard to choose.

Between the pleasure and the pain.

And I know it's wrong, and I know it's right.

Even if I try to win the fight, my heart _____ overrule my mind.

And I'm not strong enough to stay away

Not strong enough, strong enough

Not strong enough, strong enough

To stay away

Not strong enough, strong enough

Not strong enough, strong enough

I'm not strong enough to stay away
