

**"Everything Black"**

Shadows \_\_\_\_\_ my heart

I \_\_\_\_\_ the moon

I wait for you to \_\_\_\_\_

You \_\_\_\_\_ me \_\_\_\_\_ in the dark (dancing in the dark)

I've \_\_\_\_\_ my eyes

But I won't \_\_\_\_\_ tonight

Baby, you \_\_\_\_\_ come with me

I'll \_\_\_\_\_ you to the dark \_\_\_\_\_

Me and you, you and me

Do bad things in the night time

Baby, you should come with me

And we can \_\_\_\_\_ the \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_ (woo!)

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Black, everything black

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Blackout, black, everything black

Black, everything, everything

All black, everything, everything

All black, everything, everything

All black, everything, everything black

In a nocturnal state of \_\_\_\_\_

\_\_\_\_\_ of the night

But it's the only way \_\_\_\_\_

This black hole's \_\_\_\_\_ me inside

Of this black \_\_\_\_\_, this black \_\_\_\_\_

Underneath this black, black \_\_\_\_\_

Baby, you \_\_\_\_\_ come with me

I'll \_\_\_\_\_ you to the dark \_\_\_\_\_

Me and you, you and me

Do bad things in the night time

Baby, you should come with me

And we can \_\_\_\_\_ the \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_ (woo!)

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Black, everything black

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Blackout, black, everything black

Black, everything, everything

All black, everything, everything

All black, everything, everything

All black, everything, everything black

Baby, you \_\_\_\_\_ come with me

I'll \_\_\_\_\_ you to the dark \_\_\_\_\_

Me and you, you and me

Do bad things in the night time

Baby, you should come with me

And we can \_\_\_\_\_ the \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_

Hit the lights, \_\_\_\_\_ it \_\_\_\_\_, \_\_\_\_\_ (woo!)

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Black, everything black

Black \_\_\_\_\_, black \_\_\_\_\_, black \_\_\_\_\_

Blackout, black, everything black

Black, everything, everything

All black, everything, everything

All black, everything, everything

All black, everything, everything black.
