PRONUNCIATION PRACTICE - WORD STRESS

At the Computer Store

I went to the **computer** store to buy a new computer.

I couldn't decide between a **lap**top and a **desk**top.

The **sales**man was very helpful.

He told me all about the **hard** drives and the **operating** systems.

I decided to get a **lap**top even though it has a smaller **key**board.

He recommended a good **web**cam and a **flash** drive.

I ended up also getting some **soft**ware, **head**phones, a **sound** card, and a **mouse** pad.

I also got a **fax** machine, a few **video** games, and a **navigation** system for my car.

But when I got to the **cash** register and gave them my **credit** card,

they said I went over my **credit** limit.

I was so embarrassed!

I think I went **over**board!
