_____ : You have all been given a few minutes to think on your topic for today 's group discussion, which is 'Clean India'

You may now begin the discussion. Who would like to start?

Shreya: Hello everyone.

by pointing out that a 'Clean India' is the need of the hour.

Maintaining cleanliness in public spaces is a _____ due to _____. Littering has become our second nature. We _____ things on the pavements even though a dust bin is nearby.

Sunil: _____. Garbage left to rot on the streets poses a serious threat to public health. It also destroys the beauty of our surroundings.

Mahendra: _____?

Very few households take the pain to segregate the wastes into recyclable, biodegradable and non-biodegradable items.

If everyone did it, we would waste _____, compost and recycle _____. Land pollution will be reduced too.

Taukhir: I fully agree with you, _____. Cleanliness is not the responsibility of the government alone. As responsible citizens we too need to play our part in keeping our nation clean. Raising _____ regarding the Clean India Mission is important. Therefore, _____ that students like us should participate in the youth wing of local civic bodies and adopt the issue of _____.

Evaluator: _____.

Hazel: I conclude by saying that the _____ can be a success only with the combined effort of the _____ and the people. It is the duty of every citizen to practise safe disposal of waste and separation of waste to maintain a clean environment.
