### Section B – Short Answers

You and your classmates are in Mexico on a school trip and decide to stop at a mall to buy items. You all enter the clothes store and are fascinated by the different articles of clothing that the store has to offer. Give appropriate responses to the following situations in **Spanish**.

1. You enter the clothes store, how does the salesclerk say to you?
2. How do you respond to the salesclerk? Please greet him/her and inform them of the article(s) of clothing you to purchase (at least two).
3. The salesclerk brings you the item that you requested. Please inform him/her that the item does not fit you, and why.
4. Upon going to the cashier, ask him/her how much the item(s) of clothing cost.
