

Eres un encogio

¡Qué chulo!

Ser mono

Me caga la leche

Ser la leche

No me importa un pimiento

Estoy flipando en colores

Mala pata

El puto amo

Esmallao

Voy a mi bola

Estás alobao

Bad luck, brah

I could eat a horse!

No way!! He actually did it!

I am totally out of it.

Those sneakers are cool

Quiet! He's the big kahuna!

That band is the best!

I always lose my wallet when it's time to pay

I really don't give a sh\*t

All the girls think the new kid is cute

Ugh. I failed the Spanish test...again!

Listen, I make my own rules!
