Subject: Amsterdam

Hi Alice!

Amsterdam is great! Yesterday my dad and I went to the museum of human body. My mom didn't go. She went shopping. The museum was so cool! We saw real human organs - can you imagine? I saw a real eye, but I didn't see a brain. We didn't want to leave, but it was time for lunch. After the museum, we went to a fish restaurant. But I didn't eat fish, I ate pizza! It was delicious.

We went to a beautiful park in the evening and saw lots of tulips there. We were so tired, we didn't want to walk, so we took a bus back to the hotel.

See you soon,
Love Lexie
