

Multiplication Practice

Fill in the missing number

Test your multiplication, addition, and subtraction skills by writing in the correct number to make the problem true.

1. $8 \times 4 + \square = 40$

2. $6 \times 4 + \square = 26$

3. $3 \times 5 + \square = 19$

4. $6 \times 7 + \square = 52$

5. $9 \times 3 + \square = 31$

6. $7 \times 4 + \square = 35$

7. $5 \times 9 + \square = 56$

8. $7 \times 9 + \square = 67$

9. $6 \times 2 + \square = 25$

10. $8 \times 6 + \square = 52$

11. $10 \times 4 + \square = 48$

12. $3 \times 1 + \square = 33$
