

Exit tests

You can do these tests when you have finished studying the units in this book, to see if there are units that you should look at again. In the tests, each question relates to the unit with the same number, e.g. question 1 tests something from unit 1, question 2 tests something from unit 2, etc.

Exit test 1

Choose the right answer (a, b, c) and write a, b, or c in the box, as in the example. The correct answers are on page 117.
