

**a** Read about Lewis and Veronica's restaurant in the Canary Islands. Put the verbs in brackets in the Present Perfect Simple or Past Simple.

When we <sup>1</sup> were (be) younger we <sup>2</sup> \_\_\_\_\_ (come) here on holiday every year. Then we <sup>3</sup> \_\_\_\_\_ (move) here in 2007 and <sup>4</sup> \_\_\_\_\_ (open) a restaurant. We <sup>5</sup> \_\_\_\_\_ (live) here since then and we <sup>6</sup> \_\_\_\_\_ (just open) a guest house on the other side of the island. Of course, we <sup>7</sup> \_\_\_\_\_ (have) a lot of visitors from home since then. My parents <sup>8</sup> \_\_\_\_\_ (arrive) last week – it's the fourth time they <sup>9</sup> \_\_\_\_\_ (visit) us this year! Veronica's family are arriving today too – she <sup>10</sup> \_\_\_\_\_ (just go) to pick them up at the airport. The main problem is holidays. We <sup>11</sup> \_\_\_\_\_ (go) to Turkey twice, but our last holiday <sup>12</sup> \_\_\_\_\_ (be) 18 months ago and we <sup>13</sup> \_\_\_\_\_ (not have) any time off since then.
