

The red hen

Meg is my red hen.

Meg can sit on her green bed.

Meg has a bad leg.

She fell on an egg.

The white egg fell out off a brown
nest.

The egg got wet on a big purple
web.

Meg was sad.

Meg said, "I can not rest or bend
my leg".

"Where is my mom and dad?", said

Meg.

Meg will tell mom and dad to get
the big egg.

Mom and dad will put the big egg
into the little nest.
