

# Los Números – enero 4 – 8, 2021

Created by Ivannia Smith

## Instrucciones:

A. Look at each group of fruits. Carefully count in Spanish the fruits in each group.

Write the correct Spanish number from the box below on the corresponding line. One number does not belong to any group.

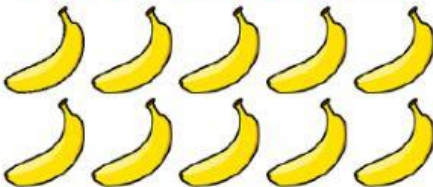

|        |      |      |      |       |       |
|--------|------|------|------|-------|-------|
| cuatro | ocho | seis | diez | siete | cinco |
|--------|------|------|------|-------|-------|
