

Incomplete

Backstreet Boys

Empty spaces fill me up with holes hopes

Distant faces with no please place left to go

Without you, within me I can find no rest

Where I'm going is anybody's guess guest

I tried to go on like I never knew you

I'm awake but my world is half asleep

I pray for this heart to be unbroken

But without you all I'm going to be is, incomplete

Voices tell me I should carry on

But I am sleeping swimming in an ocean all alone

Baby, my baby

It's written on your face

You still wonder if we made a big mistake missed

I tried to go on like I never knew you

I'm awake but my world is half asleep

I pray for this heart to be unbroken

But without you all I'm going to be is, incomplete

I don't mean to drag it on

But I can't seem to let you go

I don't wanna make you case face this world alone

I wanna let you go (alone)
