

Now we are six by A. A. Milne

1

When I was One,  
I had just begun.

2

When I was Two,  
I was nearly new.

3

When I was Three  
I was hardly me.

4

When I was Four,  
I was not much more.

6

When I was Five,  
I was just alive.

5

But now I am Six,  
I'm as clever as clever,

So I think I'll be six now for ever and ever.

Now finish the poem adding seven, eight and nine.....

7

But now I am six.....
