

THE ALLOWANCES IN MY FAMILY

Read about Ivana and her family. Complete the rules and norms that her parents have established for Ivana. Be careful with the context, the rules can be in affirmative or negative.

My name's Ivana and I live in Mexico City. I live with my parents and my older sister. I love my family, however sometimes I get mad at them because although I am already 16 years old, they still treat me like a child.

_____ (I / do / everything / I want). One of the rules that my parents have inside the house are:

_____ (I / arrive / after / 8 p.m.) but

_____ (my sister / arrive / after / 2 a.m.).

Also, _____ (I / play videogames) if I haven't cleaned my room. Similarly, _____ (only / watch Netflix) after doing the majority of my homework.

Despite this, one rule I agree on is that

_____ (I / wake up / whenever I want / during vacations).
