

A 6x6 grid of squares. A red line starts at the top-left corner of the second row, first column, extends horizontally to the top-right corner of the second row, fifth column, and then turns vertically down to the bottom-right corner of the second row, fifth column. Thick black horizontal lines are placed below the first row, the third row, the fourth row, and the sixth row.

A 6x6 grid of squares. A red line starts at the top-left corner of the second row, first column, extends horizontally to the top-right corner of the second row, fifth column, and then turns vertically down to the bottom-right corner of the second row, fifth column. Thick black horizontal lines are drawn below the first row, below the third row, below the fourth row, and below the sixth row.
