One Minute English

Pray first before doing!

My family and I went to my grandmother's house in Yogyakarta last month. It was my first trip to this city. We went there two days after my sister's graduation ceremony in Semarang.

We arrived at Yogyakarta at night. We spent a week staying in my grandmother's house which is 5 minutes away by foot to Malioboro street.

In the first morning, we were still too tired after a long trip from Semarang to Yogyakarta. So we decided to stay at home to recharge our energy. I walk around the neighborhood with my sister just to experience how it is like to be in Yogyakarta.

There were too many house, I think, which made the space between a house and the other was so small, even the road was also small that only bicycle and motorcycle can go through.

My First Trip to Pari Island

Last September, I went to Pari Island for a holiday. I went there with Sarah, Andi, Eveline, and Yoko. That was my first time to travel there.

Our boat departed from Muara Angke port to the island at 8.00 AM. We arrived at Pari Island around 10.00 Am. After that, we went to our guest house that we had booked before. Fortunately, our guest house was located near to the port, so we did not have to walk so far. The first thing that we did after that was rent bicycle. It only cost IDR 20.000 per day. Then we did cycling for a while and had lunch before we decided to do snorkeling.

When we went snorkeling, the fisherman who became our guide brought us to the beach far enough from our guest house. We did snorkeling there. The water was very clear. We could see groups of tiny fishes and beautiful coral under the sea. After we did snorkeling for approximately three hours, we returned to our guest house. We ended up the first day by getting dinner and took some walks around.

On the second day, we woke up so early to watch sunrise. We did not need to go far to watch the sunrise because our guest house was so near to the beach and we could watch the sunrise there. Sunrise on the beach, what a beautiful view!

After we spent long enough time to watch the sunrise, we decided to get breakfast. There was a festival at that time. We went to the festival and had breakfast there. We ate some delicious sea foods. We felt time went so fast that day. We needed to return to our guest house because our boat that would bring us home would depart at 10.00 AM.

In summary, my first trip to Pari Island was so enjoyable. I would like to visit this place again together with my family in another chance.
