

Matemáticas divertidas

Cálculo mental: descubre el resultado final.

The maze starts at Mickey Mouse and ends at Minnie Mouse. The path is defined by the following sequence of numbers and operations:

- Start: 7
- Step 1: $+3$
- Step 2: -4
- Step 3: $+2$
- Step 4: -1
- Step 5: $+2$
- Step 6: -6
- Step 7: $+2$
- Step 8: -1
- Step 9: -1

The final result is the number in the last cell of the path, which is -1 .
