Marta Hi, Jon. Thanks for agreeing to answer my questions for my English project So, tell me about your free time.

Jon Well I spend a lot of time school but that isn't free time! After school, I go home and I stay home all evening. I spend time my room. I do my homework and listen music. My parents come home late so I can listen to music they don't like!

Marta: And at the weekend?

Jon: Sometimes I go with my friends We go a walk or to a café. We talk films or music. I am never home on Saturdays! On Sundays, I spend my time my grandparents- my grandparents' house. Oh, and I study English! That's it, I think.

Marta: OK. Thanks
