

NATURE AND THE ENVIRONMENT

Read the tips and write what they want you to do in order to save our nature and the environment.

Example:

1. *Clean parks and river banks from garbage. – They ask me to clean parks and river banks from garbage.*
2. *Do not litter after use of plastic bags. – They ask me not to litter after use of plastic bags.*

1. Put glass bottles to a bottle bank.	
2. Don't buy products in plastic containers and use bottles, boxes or bags.	
3. Take paper bags into shops.	
4. Don't throw away plastic bags and use them more than ones.	
5. Collect and recycle newspapers.	
6. Don't replace a notebook until it is completely filled out.	
7. Give away old clothes to someone who may need them.	
8. Don't take baths and take quick showers.	
9. Walk more and use your bike or public transport instead of a car.	
10. Don't leave the water running while brushing your teeth.	
11. Plant trees and flowers.	
12. Don't leave the light on when you leave the room.
