Edit

I keep getting your voicemail.  
Call me when you get this.

I can't. I don't have any  
minutes left.

~~Minutes?~~ What the hell are  
you talking about? Are you  
on prepaid???

~~Yeah.~~ Aunt May only trusts me  
with a prepaid phone and I'm not  
old enough to sign a contract.  
I'm running low on texts too so  
we should wrap this up.

I can't believe this. I'll load  
your phone up with minutes.  
I own Verizon.

I'm with T-Mobile.

~~Of course you are.~~

What did you do!?

~~What?~~ You asked me to protect Gotham while you were away.

What did you wear!?

A bat costume I picked up at Disney World.

Describe it.

~~All black, big ears, you know, a bat!~~

You stopped crime dressed as Mickey Mouse.

~~Now that you lay it out like that yup.~~ That was definitely a Mickey Mouse costume.
