Read the following text and answer the questions given.

My name's Albert and I'm a student. In my free time I study English. This week's been crazy. I've taken four tests so far and I have lots of projects and presentations to work on. Fortunately, I'm not alone. I'm working with my peers. We decided that when the term finishes, we'll go to the movies or take a trip to relax. My favorite movie is Dead Poets Society, I've seen it many times, say, five or six. I really like it. My best friend, John has started working in a café as a waiter. He's worked in a restaurant before, but he ended up really tired at the end of the day. He does not need to work, but he loves traveling and meeting new people from time to time. He's visited five foreign countries so far. Maybe, we'll go with him next time.
