Uh huh, uh huh, Take three, action
Uh huh, uh huh, ho

No _____ in my stones
Let it _____; I hydroplane into fame
Coming down at the Dow Jones
When the clouds come, we gone
We Rocafella
We fly higher than weather
In G5's or better
You know me
In anticipation for precipitation stack chips for the rainy day
Rain man is back with little Ms. Sunshine
Rihanna, where you at?

You have my _____, and we'll never be worlds apart
Maybe in magazines, but you'll still be my _____
Baby, 'cause in the dark
You can't see shiny _____
And that's when you need me there
With you I'll always share
Because

[CHORUS]

When the _____ shines, we shine together
Told you I'll be here forever
Said I'll always be your _____
Took an oath that I'm a stick it out till the _____
Now that it's raining more than ever
Know that we still have each other
You can stand under my umbrella
You can stand under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh
Under my umbrella, ella, ella, eh, eh, eh, eh, eh, eh

These fancy things will never come in between
You're part of my entity, here for infinity
When the _____ has took its part
When the world has dealt its _____
If the _____ is hard, together we'll mend your heart
Because

[CHORUS]

You can run into my _____
It's okay, don't be alarmed (Come into me)
(There's no distance in between our love)
So I'm gonna let the rain pour
I'll be all you need and more
Because

[CHORUS]

It's raining, raining
Ooh, baby, it's raining, raining
Baby, come into me, come into me
It's raining, raining
Ooh, baby, it's raining, raining
You can always come into me
