MY DANCE MOVEMENTS

Create your Dance Movements using the Terminologies in 3 Steps with a combination of Locomotor or Non-Locomotor Movements and it has 8 counts for each step.

Ex: 2 counts brush

2 counts walk

4 counts bend

8 counts

The form consists of three rectangular boxes with black borders. The top row contains two boxes: a pink one on the left and a light green one on the right. Below these, centered horizontally, is a single blue box. This layout provides space for students to draw or write their dance movements.
