I can write equations to show parts.

Fill in the blanks of the equation to match the picture of the parts.

$$5 = 2 + 3 \text{ AND } 2 + 3 = 5$$

---

$$5 = \underline{\quad} + \underline{\quad} \text{ AND } 1 + 4 = 5$$

---

$$5 = \underline{\quad} + \underline{\quad} \text{ AND } 3 + 2 = \underline{\quad}$$
