

A2-11: Reading

Language Expansion: Everyday ailments

For every common health problem, there's a product for sale to cure it. Are you suffering from **insomnia**? There's a pill to help you fall asleep. Did a **pimple** appear on your face? There's a cream for that. If you have a **headache** after a long day at work, or perhaps a **sore throat** and **fever**, you can buy something to make you feel better. Do you have **indigestion** because you ate the wrong kind of food? There's a pill to end the burning feeling in your stomach. If food won't stay in your stomach at all, you can take some medicine to end the **nausea**. Or maybe you ate too fast, so now you have the **hiccups**. Well, you won't find anything at the pharmacy for hiccups, but there's probably a company working on a new product right now.

Some pills can help you with insomnia.
