

Transportation in Tower City

There are many ways of getting around Tower City. Some people have cars but it's not easy to use them in the city. There is too much traffic and it is a problem to find parking. People often ride their bikes to places. It isn't difficult.

A good way to get around the city is by walking. Walking may be the slowest way, but it is also free. Walking is good if you have a lot of energy and it is also the healthiest way to get around.

You can always take a taxi, but they are very expensive. They are good if you are in a hurry and are only going a short distance. Taxis in Tower City are yellow and you can always find one quickly.

If you don't have a lot of money, you can take a bus. The bus is slower than a taxi, but it also costs a lot less. The buses stop often to let people on and off. So, if you are not in a hurry and want to save some money, take a bus.
