

***AFTERGLOW* by Ed Sheeran**

Stop the clocks, it's _____
You should see the way the light dances off your _____
A million _____ of hazel, golden and red
Saturday _____ is fading
The sun's reflected by the _____ in your hand
My _____ are caught in your gaze all over again

We were love drunk, waiting on a _____
Trying find ourselves in the winter _____
So alone in love like the world had disappeared
Oh, I won't be _____ and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so bright 'til the _____ softly clears

Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow

The _____ outside is changing
The leaves are buried under six inches of white
The _____ is playing, Iron & Wine
This is a new _____
This is a level where we're losing track of _____
I'm holding nothing against it, except you and I

We were love drunk, waiting on a _____
Trying find ourselves in the winter _____
So alone in love like the world had disappeared
Oh, I won't be _____ and I won't let go
I will hold on tighter 'til the afterglow
And we'll burn so bright 'til the _____ softly clears

Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow
Oh, I will hold on to the afterglow
