*Hi! My name is Emily. I go to school every day and there is something about me:*

My favorite ..... is ..... I love animals and we learn a lot about them there.

We learn about numbers in ..... This subject is not really interesting for me and I'm not really good at it.

I also like ..... In this subject we do many sports. For example football, tennis and gymnastics.

I don't like singing. That's why I hate .....

I also have no skills with computers. This is the reason I don't like .....

I like literature, writing and reading. My favorite subject is .....
