

CLASS-6

MATHS WORKSHEET

PERIMETER AND AREA (Drag and Drop)

$4a$

$l \times b$

$2(l+b)$

axa

$3a$

$b \times h$

(1) Perimeter of square =

(2) Perimeter of a rectangle =

(3) Area of a square =

(4) Perimeter of equilateral triangle =

(5) Area of parallelogram =

(6) Area of a rectangle

=
