

Red, find the food and drinks. Write them in the boxes.

This is my fridge. There is some water. There isn't any juice but there is some milk. There is a cake, an apple and a tomato. There is some bread and lettuce. There is some rice. There are four bananas and three cookies.

Order the sentences:

some There cheese is

--	--	--	--

is ice cream There of a lot

--	--	--	--	--	--

There bread is some

--	--	--	--

isn't There water any

--	--	--	--

juice? there Is any

--	--	--	--

there? bread is How much

--	--	--	--

Use '**some**' with plural countable nouns and uncountable nouns.

Eg: There **is some** milk in the fridge.

Use '**any**' for negatives or questions with countable and uncountable nouns.

Eg: There **isn't any** water.
