

Match the following statements to the ones taken from the text.

1. Most people were talking in groups but the woman **who was sitting** in the corner looked pretty lonely.
2. **He was known** to the world as the movie-star clown with the funny glasses...
3. **After I had just watched** my soccer team lose a game, I heard someone laugh and cheer for the other team.
4. **Because I wasn't shy**, I just walked over and introduced myself.

Known to the world as the movie-star clown with the funny glasses...

Not being shy, I just walked over and introduced myself.

Most people were talking in groups but the woman **sitting** in the corner looked pretty lonely.

Having just watched my soccer team lose a game, I heard someone laugh and cheer for the other team.
