Years ago, people left their homes to be the first to settle in a new land. We call those people (1) \_\_\_\_\_. However, did you know that today, there are people who leave their home countries to come to the United States? They are a lot like the pioneers from long ago. Many times, they leave to find better conditions for their families.

(2) \_\_\_\_\_ is not easy. It is almost always hard to leave home. The people who come to the United States often travel in boats because they are the only (3) \_\_\_\_\_ available for (4) \_\_\_\_\_. Once they come, many immigrants hope that their (5) \_\_\_\_\_ will be born in the United States, but will still (6) \_\_\_\_\_ the freedoms they enjoy. Many of these immigrants have had success in the United States and have even started businesses that have (7) \_\_\_\_\_. Many have found the United States to be an (8) \_\_\_\_\_ place to live.
