Write a descriptive essay about your best friend.

Remember to:

- Have a topic sentence.
- Describe them using descriptive words.

The writing area is a large rectangle with a black border. A vertical red line runs down the left side, creating a margin. The rest of the area is filled with horizontal blue lines. There are three black dots on the red margin line, one near the top, one in the middle, and one near the bottom, likely indicating where to start each paragraph.
