We love visitors* in Russia. Friends and family can visit us any time they want. When visitors come, we show them our home and we play games together. We also give them Russian food and we sit around the table and eat together.

When you visit friends in Russia, remember to bring a small present. You can bring flowers, but not an even number** of flowers. Russian people believe that this brings bad luck.

Alex, Russia

We like to wear colorful Japanese clothes called kimonos when people come to our house. We tell visitors to put their shoes outside the door because we want to keep our houses clean. Then we give them socks to wear around the house. We don't have chairs in the living room – we sit on mats. We all eat sushi, our special food, and drink green tea. We always hope that our visitors feel happy and relaxed.

Kira, Japan

At the bottom of the browser window, there is a toolbar with icons for email, a globe, a speaker, a home button, and a printer.
