Once upon a time* there was an old man.

He was sick and sad.

His family and friends gave him gifts.

They wanted him to be happy.

His children gave him books.

His friend gave him a funny hat.

His son gave him a new TV!

But the old man was not happy.

The old man wanted to travel* and see places in the world.

But he was old and sick.

One day his grandson made him a gift. It was a mirror.

The old man looked in the mirror. He looked and looked and then he smiled. What did he see? He saw many places in the world!

Grandfather: Where did you get this magic mirror?

Grandson: I made it. I made it with my own hands*.

I made it with crayons and glue. I made it with love*.

Grandfather: You made me a gift with love. Thank you.

Now I am happy.
