### Phonics

#### Chunking

Drag the chunks to the correct words.

at      is      up      on      an      in

Hand      pond      into      flat      pup      his

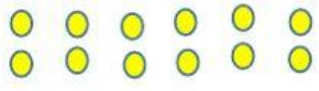

### Mathematics

Write the number to give answers that make up 17.

$$\square + 16 = 17$$

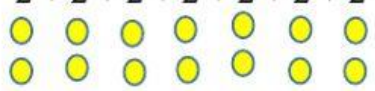

$$3 + \square = 17$$

Complete the repeated addition by placing the correct number in the boxes.

$2 + 2 + 2 + 2 + 2 + 2 = 12$  

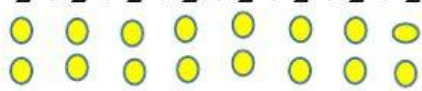

→  $\square \times 6 = 12$

→  $\square \times 2 = 12$

$2 + 2 + 2 + 2 + 2 + 2 + 2 = 14$  

→  $\square \times 7 = 14$

→  $\square \times 2 = 14$

$2 + 2 + 2 + 2 + 2 + 2 + 2 + 2 = 16$  

→  $\square \times 8 = 16$

→  $\square \times 2 = 16$
