Seven Continents song

The world is split up into continents, there are seven in all
And if you get the gist, we're gonna make a list from biggest to small:

They are:
Asia, Africa, North and South America
Antarctica, Europe, and finally Australia

Asia, Africa, North and South America
Antarctica, Europe, and finally Australia

Hey! My name is _____,
And more than half of the world lives here, but, whatever

And I am _____,
with desert for miles
And my Nile is the longest river

_____
_____!
Start down in Panama,
Wide open spaces, all the way to Canada

I'm _____
with animals galore,
Where the rainforest grows 'cause the rain really pours

I'm _____,
and I'm totally ice

And I'm _____.
You're welcome...
For the pasta, pizza, waffles, and fries

I am _____, some call me Oceania,
I got a lot of islands, too many to explain to ya

We are
Asia, Africa, North and South America, Antarctica, Europe, and finally Australia

Put the continents in the correct spaces.

Asia	Europe	South America	
Antarctica	North America	Australia	Africa
