C You and your partner are looking for a place to live together as roommates. Write down some of the important things to consider.

cost.

D Read about these two possible places to live. Add three more ideas to each list. With a partner, discuss the positive and negative aspects of each place. Use the Useful Expressions to help you.

City apartment	Suburban home
expensive	big backyard
near public transportation	need a car
small bedrooms	quiet neighborhood
big balcony with a great view	nothing to do on weekends

Offering another opinion

That's true, but...

Yes, but on the other hand...

Even so,...

But then again,...

As an apartment in the city would be expensive.

Yes, but on the other hand, living in the city is exciting. There's so much to do!
