

"I NEED A HERO" (SHREK 2)

Listen and choose the right

Where have all the good men
And are all the gods
Where's the street-wise Hercules
To the rising odds
Isn't there a knight upon a fiery steed
Late at toss and turn and dream of what I need

I need a hero
I'm out for a hero 'til the end of the night
He's gotta be
And he's gotta be fast
And he's gotta be fresh from the fight
I need a
I'm holding out for a hero 'til the morning light
He's gotta be sure
And it's gotta be soon
And he's gotta be larger than
Larger than life

Somewhere after midnight
In my wildest fantasy
Somewhere beyond my reach
Someone reaching back for
Racing on the thunder and rising with the heat
It's gonna take a superman to sweep me off my feet

Up where the meet the heavens above
Out where the lightning splits the sea
I would swear that there's someone somewhere
 me

Through the wind and the chill and the rain
And the storm and the
I can feel his approach
Like the fire in my blood
Like the fire in my blood
Like the fire in my blood
Like the fire in my blood
Like the fire in my blood

Hero

I need a hero
I'm holding out for a hero 'til the light
And he's gotta be sure
And it's gotta be soon
And he's gotta be larger than life

Hero
And he's gotta be
And he's gotta be fast
And he's gotta be fresh from the fight
I need a
