

Write *bones* or *muscles*.

\_\_\_\_\_

\_\_\_\_\_

Complete the sentences. Write *bones* or *muscles*.

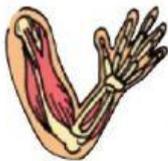

\_\_\_\_\_ are hard and rigid.

\_\_\_\_\_ contract and relax.

\_\_\_\_\_ are soft and elastic.

\_\_\_\_\_ form the skeleton.

Write *B* (bones) or *M* (muscles).

Our **locomotor system** is made up of **bones, muscles and joints**.

Bones are hard and rigid. Muscles are soft and elastic.

Joints make the skeleton flexible. They all help us move.
