

PASSIVE VOICE

PRESENT SIMPLE

Most people use credit cards to pay nowadays. We wash our hands twenty times a day.

A mechanic repairs my car in his garage.

Do they speak English here?

Do they sell stamps in supermarkets?

They don't produce wine in England.

They serve breakfast from 7.30 to 10.00

PAST SIMPLE

My grandfather built this house 30 years ago. People transmitted their traditions orally in ancient times.

My sister sent you flowers last year.

We didn't use face masks in class last year.

CNN showed the sports program in the afternoon.

Nobody said anything.

Did they make the funeral in the morning?

FUTURE SIMPLE

Millions of people will visit the museum.

Will the company employ a new worker?

Our boss will sign the contract.

The manager will sign the contract tomorrow.

You will not do it.

Will the plumber repair the shower
