~~summer vacation~~

Harry,

Hope you're OK. I've just come back from <sup>1</sup>summer vacation in Turkey. My dad is really into music and he loves going to <sup>2</sup>\_\_\_\_\_. On our last night we watched a <sup>3</sup>\_\_\_\_\_ by local belly dancers. Mum and I tried it but we were awful ... How was the festival in your village? Did you listen to <sup>4</sup>\_\_\_\_\_, or was it more carnival music? I love dancing in the street.

Maybe we can go to the <sup>5</sup>\_\_\_\_\_ in the park on Saturday. It's good weather for it. There's a <sup>6</sup>\_\_\_\_\_ on with Steve Martin in it. It's got great <sup>7</sup>\_\_\_\_\_ and everybody says it's funny.

Speak soon,
