

Task 3. What school do you study at? Read the text below and match.

Today we are going to visit Kingsley boarding school. There are many students in this school. Let's meet **Steve** first. He is 10 years old and he spends his free time reading magazines about cars and speed bikes.

Look at **Lucy**! She is 13 years old and she can't imagine her life without her recipe book. **Lucy** likes cooking meat and salads. She also cooks fish and delicious vegetables.

Who's talking? That's **Laurens**. He is 11 years old. He likes rafting very much. Every summer he goes rafting with his uncle.

Listen! It is **Kelly**. She is a 10-year-old girl who can play the violin. She is brilliant at music. **Sue** is standing next to her. **Sue** is 12 years old and she is good at sports. She likes doing yoga and cycling in the park in the evening.

What a fantastic trip!
