1. **Read the lyrics and complete the sentences with the indefinite and definite pronouns:**

I'm standing on the bridge

I'm waiting in the dark

I thought that you'd be here by now

There's _____ but the rain

_____ footsteps on the ground

I'm listening but there's

_____ sound

Isn't _____ trying to find me?

Won't _____ come take me home?

It's a damn cold night

Trying to figure out this life

Won't you take me by the hand?

Take me _____ new

I don't know who you are

But I, I'm with you

I'm with you

I'm looking for a place

I'm searching for a face

Is _____ here I know?

'Cause _____ is going right

And everything's a mess

And _____ likes to be alone

Isn't _____ trying to find me?

Won't _____ come take me home?

It's a damn cold night

Trying to figure out this life

Won't you take me by the hand?

Take me _____ new

I don't know who you are

But I, I'm with you

Oh, why is everything so confusing?

Maybe I'm just out of my mind.
