Identifying Nouns

Directions: Read the story below.

Highlight and write the nouns in the correct columns.

If the same noun is repeated in the story, only write it once.

The girls went to the mall with their mother. First, they stopped and looked at the hamsters, puppies, kittens, mice and birds. Next, they wanted to check out the store with toys. They looked at the dolls, jacks and jump ropes. While they were walking around, they saw their teacher, their neighbor and the librarian at the mall!

The girls left and went home. They were exhausted and hungry. When they arrived home, their first stop was the kitchen. They grabbed a snack and ate it in their bedroom. After resting for awhile, the girls decided to play outside.
