

Escape from Maptown Zoo!

The animals from Maptown Zoo have escaped! Can you use the clues to work out which animal should be in which square?

1. The lion is in the north west corner.
2. The zebras are on the eastern side of the zoo.
3. The crocodile is directly east of the lions.
4. The seals are in the south east corner.
5. The penguins are directly west of the seals.
6. The orangutan is directly south west of the crocodile.
7. The fish are south of the orangutan.
8. The rabbits are directly north of the zebras.
