Escape from Maptown Zoo!

The animals from Maptown Zoo have escaped! Can you use the clues to work out which animal should be in which square?

- 1. The lion is in the north west corner.
- 2. The zebras are on the eastern side of the zoo.
- 3. The crocodile is directly east of the lions.
- 4. The seals are in the south east corner.
- 5. The penguins are directly west of the seals.
- 6. The orangutan is directly south west of the crocodile.
- 7. The fish are south of the orangutan.
- 8. The rabbits are directly north of the zebras.
