

(she) didn't want to miss

in order not to miss

you must

you are required to

on arriving at

as soon as I get to

over five years

more than five years

I prefer driving

I'd rather drive

to control something

to keep something under control

they say someone did it

Someone is said to have done it

I wish I'd done

I regret not having done

only a few

not many

I prefer playing tennis to skiing

I'd rather play tennis than ski

it is exactly the same as

there is no difference in

I have to

it is necessary for me

he had to

it was necessary for him

what is the height

How high is

there isn't any paper left

we ran out of paper

I wish I hadn't done

I regret having done
