How to Make a Mask

Create a mask of your choice out of paper. Next, decorate it using your creativity. Then write a how-to essay explaining how you made your mask.

- Be sure your essay has 3 paragraphs: an introduction, body and conclusion.
- Include all materials needed to make the mask.
- Explain all the steps in making the mask.
- Use sequencing and transitional words to help explain the steps in the correct order. (First, next, then, finally, etc)
- Check for spelling and grammatical errors.
